

OT AUSTRALIA NSW

Australian Association of Occupational Therapists - New South Wales

presents

Environmental Modifications in the Home: Level 1

Date: 22 – 23 February 2010 (2 day course)

Venue: Goulburn Workers Club NSW

Time: 8.30am - 4.30pm each day

Cost: \$495 for r members, \$990 for non-members (includes GST)
Includes comprehensive notes as well as morning tea, lunch, and afternoon tea.

Presenter: Sandi Lightfoot-Collins and Vanessa Richards

Participant Outcomes:

By the end of this workshop, participants will be able to:

- Explain the occupational therapy home modifications assessment process within the unique context of the person and their environment
- Describe the relevance of the **NEW Australian Standards** to modifications in the home environment
- Engage in the clinical reasoning process when prescribing home modifications
- Draw plans for home modifications to scale
- Identify creative solutions to problems within the home environment and determine the preferred option with the client and relevant others
- Articulate the principles relevant to:
 - * rail placement
 - * ramp installation
 - * bathroom modifications
- Outline the medico-legal issues related to the planning and implementation of home modifications
- Document information relevant to home modifications for clients which demonstrate clinical reasoning and are outcome based.
