#### About the Presenter—Winnie Dunn

Dr. Dunn is Professor and Chair of Occupational Therapy Education, School of Allied Health, University of Kansas. She has provided services in public schools for the last three decades using many innovative strategies. She has also conducted federal grants, which investigate service provision needs in educational settings. She has provided many continuing education experiences to help services providers design effective services. Dr. Dunn has been particularly active in working on integrated service provision and full inclusion programs. She has written extensively about models of service provision and the use of consultation as a viable option. Her teaching has been honored with a Kemper Teaching Fellowship.

Dr. Dunn is Faculty Emeritus of Sensory Integration International and taught many of the early courses in sensory integration theory, test administration and interpretation. She is the author of the Sensory Profile, Infant/ Toddler Sensory Profile, and coauthor of the Adolescent/ Adult Sensory Profile, caregiver and self reporting measures of patterns of response to sensory events in everyday life. She has just completed the Sensory Profile School Companion, a measure of children's responses in the classroom for teachers to complete on their students. Dr. Dunn was honored as the Eleanor Clark Slagle Lecturer, the highest academic honor for OT's in the USA in 2001. Her lecture was entitled: Sensory Processing in Everyday Life: Theoretical, Conceptual and Pragmatic Considerations, and emanates from her research on sensory processing (see Dunn, 2001).

### EXPRESSION OF INTEREST

I am interested in attending the Winnie Dunn workshop, . I would like to be placed on an Expression of Interest (EOI) list which will ensure I receive early notice of registration details for this workshop. This will enable me the best opportunity for a position to attend. I understand this Expression of Interest in no way binds me to attend the workshop.
